

Information for authors

Manuscript requirements

The journal publishes significant scientific papers and results of research made by Russian scientists within the specialization code “5.8.7 – methodology and technology of professional education (pedagogical sciences)”.

Publication conditions

The article must be relevant, come with novelty and problem statement, describe basic findings and make a conclusion.

General submission formatting

The manuscript should be up to 0,4–1 author's sheet (15 000–40 000 characters including spaces), including tables, illustrations and references.

Times New Roman 14 point font

1,5 line space

Illustrations, graphs and tables should be placed within the text (not at the end of the document).

All manuscripts should be submitted in Microsoft Word or RTF.

MS Equation 3.0. should be used for formulas.

All manuscripts must contain a list of references according to GOST R 7.0.100-2018 "Bibliographic Entry. Bibliographic Description. General Requirements and Rules for Compilation". The list of references (in Russian and in English) covers 10-15 sources, including the minimum of 1-2 foreign publications of recent years. Reference numbers in the text should be enclosed in square brackets in accordance with the number of the cited source on the reference list. The reference list is arranged alphabetically by author's surname (first Russian authors, then foreign authors). Legal documents (if any) are listed at the beginning.

Manuscripts should be sent to innovation@mo-kuro.ru as an attachment. The letter must contain the author's contact mobile phone number and e-mail. The editorial office confirms the submission by e-mail.

The manuscripts of doctoral students and candidates are accepted for consideration only with the signed recommendation of the scientific adviser, made in no particular form.

All manuscripts should include:

- UDC (see <http://teacode.com/online/udc/>)
- Authors' last, first and patronymic names, position, workplace, city, country, academic degree and status, e-mail (in Russian and in English)
- Title (in Russian and in English)
- Abstract (in Russian and in English)
The abstract should include several sentences containing key information and conclusions. The abstract is to contain 300-500 characters with spaces.
- Keywords: 5–7 words or word combinations (in Russian and in English)

Preparing your manuscript

To submit the article, the authors are to make sure that:

- the article was not previously published or submitted for publication in a different journal
- full and correct e-mail addresses are provided for references
- the text meets the formatting requirements

In case the manuscript doesn't meet the abovementioned requirements, it can be returned to the author.
